

Fremont's Buying Club- FEB 2011 Running Tally

In order to receive a refrigerated shipment, we need to order at least 50 cases. This will help you see the progress to reaching enough cases to pay for the freight.

*Note, prices are subject to change. If anything, they may go up or down 5%. If there is a significant change (highly unlikely), we will do our best to minimize the effect. **We will add the units orders from each customer to see if we have enough to or
